Dear Mr. Waldman:

I would like to express my thanks for the superior character education workshop you provided the students of Lafayette Mills School.

My teachers and students learned a great deal from your program. The results can be seen throughout our school. Asking children to continually ask the best of themselves is critical in building and maintaining a positive climate in any school.

Your program was customized to meet the needs for the district and school. You worked diligently at ensuring these needs were met in each grade level. You followed up with each of us. The teachers and students are looking forward to your next program during the 2005/2006 school year.

Sincerely,

Gregory T. Duffy  
Assistant Principal, Lafayette Mills School
